### *Our New Newsletter*

Here we have it. A new theme and layout for the Chambers Family Ancestry Newsletter. After much debate, and lots of edit, edit, and edit, we finally got it. This edition is designed using Microsoft Office Publisher 2007. We hope it suits your reading style needs and is beneficial to compliment your genealogy research.

### *Thanks to Kelli*

We thank Kelli Lennon for submitting lots of data and Family photographs. Kelli has been a blessing, providing us updated quality data and lots of support by answering our countless emails. ### *Current Projects*

The **Census Documents Project** is in progress. Most have been uploaded to the Website, and some are pending upload to obtain better quality ones. We'll give you all we have, and when a better quality document is obtained, we'll include those changes in the "What's New?" (above) in future Newsletters. Thumbnails of the census document are highlighted on the Individual Person to which the document refers.

**Chambers History: Trails of the Centuries (by William D. Chambers, 1925)** web pages have been reformatted to match our current website theme. We have also updated its' Search Engine. One of our future projects with this is to create an index of all names contained within that document. Volunteers, ideas, and suggestions are needed. If you're up for the task send us an email, please!
