Pearl Chambers?

Who is Pearl Chambers, and where is she? This is a question asked countless times by Kathy Shirley, granddaughter of Pearl. Kathy has been researching high and low for her deceased grandmother Pearl and trying to get any information she can about her. However, for years Pearl seemed to be allusive or even non-existent. In her quest for Pearl, Kathy has posted ads in local newspapers, queries in numerous genealogy forums, send many emails, written many letters. Yet...no Pearl Chambers. After a long and laborious search, last month the gravesite of Pearl Chambers was located in Maxwell Cemetery, Tazewell County, Virginia. Kathy plans on visiting the cemetery and photographing her grave site in the near future.

If anyone has any additional information or PHOTOGRAPHS of Pearl A. Chambers when she was alive, please [contact us](#) so we can get those photos to Kathy and have them posted on our website. This would be much appreciated.
